Pre & Post Tours | Victoria Falls 2020 |

Day 1 – Victoria Falls |

On arrival at Victoria Falls Airport guests will be met by a Tourvest DMC representative who will escort them to the transfer vehicle. Transfer to hotel.

The Victoria Falls constitutes one of the most spectacular natural wonders of the world. The Local people call it "Mosi-oa-Tunya" -- the smoke that thunders and the Falls are remarkable. There is a magic about them manifested in the towering column of spray when the river is high, the thunder of the falling water, the terrifying abyss and tranquil lagoons upstream in which hippo and deadly crocodiles lurk. The Victoria Falls is 1 708 meters wide, making it the largest curtain of water in the world. It drops between 90m and 107m into the Zambezi Gorge and an average of 550,000 cubic metres of water plummet over the edge every minute. Remarkably preserved in its natural state, Victoria Falls inspires visitors as much today as it did David Livingstone in the 1860's. The falls and the surrounding area have been declared National Parks and a World Heritage Site, thus preserving the area from excessive commercialisation.

Victoria Falls Hotel |

The Victoria Falls Hotel, popularly known as “the grand old lady of the Falls”, is situated in the Victoria Falls National Park, a world heritage site, and is a member of the exclusive Leading Hotels of the World group. It is one of only two ISO-accredited hotels in Zimbabwe. The Edwardian-style five-star hotel, built in 1904, was recently redecorated and refurbished and now combines the charm of the old with the convenience of the new. Set in lush tropical gardens with lily ponds, palm trees and semi-tropical shrubs, it provides the tranquillity and seclusion that many guests seek. The famous Victoria Falls are just a ten-minute walk away using the hotel’s private pathway, and “the smoke that thunders” or “Mosi-O-Tunya” in the local dialect, is clearly audible and visible from this luxurious landmark.
